Automobile Club- GCOEN has participated in a national level Go-Kart championship named "Indian Karting Championship- Season 5" in the academic year 2022-23. A team of 26 members was formed under the name "Excel-o-Racers."

The competition consisted of 11 rigorous rounds- virtual round, pre-event tests, technical inspection, brake test, acceleration test, skidpad, autocross, time trial, qualifying, and the final race, all of which were points based. Our team was successful in passing the virtual round of the competition and qualifying for the further rounds, which were scheduled at Mohite's Racing Academy, Kolhapur, in the month of February 2023.

The Indian Karting Championship began on February 14 and concluded on February 17, 2023. The 4-day competition tested the kart and the team members through various

tests in dynamic rounds. Team Excel-o-Racers, successfully passed the Technical Inspection, Brake Test, Acceleration Test, Skidpad, Autocross, etc. But unfortunately, during the final race, the team encountered an unsolvable problem related to the Go-Kart. We had to retire the kart immediately due to safety regulations.

On the last day of the competition, the Go-Kart was declared unfit for further rounds and was eliminated from the competition. The team acquired profound knowledge and a lot of practical skills throughout this competition.

Following is the list of team members who participated in the competition.
