## **Annual Report**

**Of**

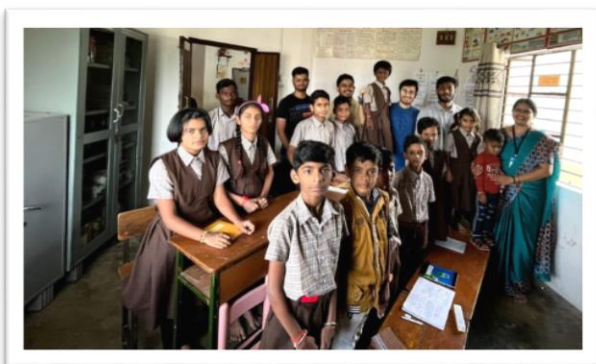

**Year 2022-23**

The Rotaract Club of Government College of Engineering Nagpur, is delighted to present its annual report for the Year 2022-23. Throughout the year, our club remained committed not only to serving the community and making a positive impact in various areas but also focused on self-improvement of every individual in the committee as we believed that good things start within. We organized several programs and events that aimed to promote social welfare and contribute to the betterment of society at our level best. This report highlights the key initiatives undertaken by our club during the year.

### **Programs and Events:-**

#### **1. Cloth Donation Drive:**

In the month of August, we organized a successful cloth donation drive with the objective of providing clothing to those in need. Through this collection drive amongst our college and nearby areas, we managed to gather a significant amount of gently-used clothing items. These donations were then distributed to underprivileged children. Around 30KG of clothes were donated to both Muk Badhir Vidyalaya, Savner and Shasakiya Apang Baalvikasgruha, Nagpur. In return, to those who donated the clothes, a token of love from Rotaract Family was given on the occasion of Rakshabandhan.

## 2. Blood Donation Drive :

Recognizing the critical need for blood in hospitals, we conducted a blood donation camp in collaboration with Local Blood Bank know Dr.Hedgewar Blood Bank. The camp, held in the month of October, witnessed an overwhelming response from students, faculty, and the local community. With the participation of 50 plus donors, we were able to collect a substantial amount of blood, potentially saving numerous lives. A certificate, gift and refreshments were given to all the generous Donors.

## 3. Niragas:

On the occasion of Children's Day, celebrated on November 14th, we organized a joyous event for the children from a local orphanage. The day was filled with fun activities, games, and interactive sessions. We also distributed gifts and snack boxes to the children, aiming to bring smiles to their faces and create lasting memories. The event provided an opportunity for our club members to bond with the children and demonstrate our commitment to their well-being.

#### **4. News-paper donation drive for cat shelter:**

We organized a newspaper donation drive to support the local cat shelter. Newspapers, which would have otherwise been discarded, were collected from the college and surrounding areas. These newspapers were then donated to the shelter to be used as bedding material for the cats. This initiative not only helped reduce waste but also provided a comfortable and hygienic environment for the shelter's feline inhabitants.

### **PROFESSIONAL AND PERSONAL DEVELOPMENT WITHIN CLUB**

One of the reason behind starting this club was to learn from each other , to bond with the unknowns , to create an environment where the knowledge and skills goes hand in hand with fun. With this agenda , a lot more activities were organized to increase the bonding of the club members .

#### **1. Rotaract conclave :**

Several members of our club attended the Rotaract Conclave. This event provided a platform for networking, learning, and sharing ideas with Rotaract members from different colleges and regions. The participants gained valuable insights and skills through various seminars, and interactive sessions.

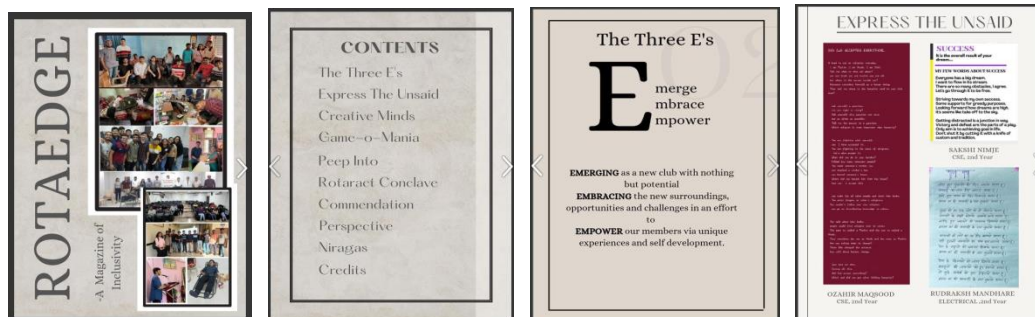

## 2. The Lounge:

To enhance professional development among our members, we organized a teacher interview series. Chapter-1 of these series was successfully executed where esteemed faculty and dean of student welfare committee was invited. The aim of this series is to invite esteemed professors and faculty members from our college to share their insights and experiences with the Rotaract committee and other college students. The 1<sup>st</sup> interview, named Season-1 of “The Lounge” provided valuable guidance and inspiration to those considering a career in academia.

## 3. Magazine –Rota Edge:

In the installation ceremony, we proudly unveiled a magazine created by the talented students of our college. The magazine named “Rotaedge- A magazine of Inclusivity” served as a medium for showcasing the club's achievements, sharing inspiring stories, and highlighting the impact we have made on the community.

## 4. Regular monthly meets:

Every month, a meet up was organized with an agenda of discussing future activities, plans and events. The meets were taken at different locations to explore more new places in the locality and with this, the few flaws of the clubs, the problems, the difficulty committee is facing was solved, followed by snacks for the committee.

**Conclusion:**

The Rotaract Club of Government College of Engineering Nagpur had a remarkable year in 2022-23. Through our community service programs, we extended support to the underprivileged, made a positive contribution to healthcare, promoted animal welfare, and celebrated the happiness of orphanage kids. Our dedication to professional development was evident through participation in the Rotaract Conclave and the teacher interview series. The installation ceremony and magazine release showcased our commitment to recognizing and appreciating the accomplishments of our members.

We express our heartfelt gratitude to all our members, volunteers and supporters for their unwavering commitment and contributions. It is through their collective efforts and enthusiasm that we were able to achieve such meaningful outcomes.

Thanking you
