

TRISHAKTI CELL ANNUAL REPORT

The Trishakti Cell was inaugurated on July 23 rd ,2019 , by Air Vice. Marshal B. Manikantan Sir, SAASO, HQMC, Nagpur with a grand ceremony attended by students, faculty members. The event marked the beginning of our journey to empower and inspire students to join the armed forces and serve the nation.

On December 3 rd , 2021, Trishakti Cell conducted a session specifically focused on the different entry options available for students interested in joining the defence services. The session provided detailed information about NDA, CDS, AFCAT, and other entry schemes, helping students understand the requirements and opportunities .

On 9 TH March 2023 , TRISHAKTI CELL in association with Adhyaaya '23, Conducted JIGYASA a seminar On High Altitude Operations Technicalities, Career in Defence services & SSB overview guided by Former Air force pilot & gallantry awardee AVM. Suryakant Chafekar (SC , AVSM) Rtd. He successfully Highlighted about the operational technicalities, challenges faced on high altitude and elaborated on How one can pursue career in defence forces.

Trishakti Cell, in collaboration with AIIMS, successfully organized a blood donation camp on 21st September 2023. The event witnessed a strong turnout of enthusiastic donors from the local community. With streamlined processes and stringent safety measures in place, the camp facilitated the collection of a significant volume of blood units. Volunteers and medical staff worked in unison, ensuring smooth operations and a congenial atmosphere. The initiative proved to be a commendable step towards meeting the region's blood supply needs.

The cell had successfully organized the Competition named 'Mind Clash' on 14 October 2023 which was in two rounds that are Lecturette and Group Discussion. The main moto of the event was encourage students to boost their confidence and develop soft skills.

Overall, the events organized by Trishakti Cell throughout the year have successfully promoted awareness and enthusiasm for careers in the armed forces among the student community. We look forward to continuing our efforts in the coming year to support and guide students towards a fulfilling and impactful career in the defence services.
